The Roaring Twenties Event in which our upper school students/teachers participated in at Mullins Bar and Grill presented by the Coastside Women's Club, April 14th, raising scholarship funds Half Moon Bay High School seniors was a great success and enjoyed by all.

Dance School Photo Day: You will be hearing from the photographers soon. It was a very full day. After a late start due to the Triathlon event causing traffic jams throughout the coast side, also it was such a beautiful day bringing so many visitors to coast side. We thank you for patience.

Spring Performances Saturday June 9. noon & 4:00pm: Parent volunteer sheets are now on foyer desk. As you know the backstage help is crucial, the show cannot go on without CIRCLE MOMS, BACKSTAGE COORDINATOR/RUNNER.

We are asking the upper school parents Grs. 2,3,4,6. & Ad to volunteer **backstage circle Moms or coordinator/runner** for the **Mini Matinee** Noon show. Thus giving the lower school parents a chance of better seating closer to the stage. Lower school parents can still sign up for **front of house volunteer slots** for the Noon show and or backstage for the 3:00pm show.

Upper school please note the Noon show is mainly featuring the younger students, therefore we are only including a few dance numbers from the main show in this one.

We will be sending out **Important Performance Information** via email by May 15th.. Please print and save, this will give dress rehearsal schedule for the week the show, along with times to arrive etc...

Costume Rental Fee: Notices have been handed out, if you haven't already, please return the form with your check and drop in payment box. (We have a few notices left behind that did not get home so will give them out this week).
