

Susan Hayward School of Dancing

May Newsletter 2019

Royal Academy of Dance: We have received an email with exam results it's not a full account as the certificates and reports have not been mailed out from London. Therefore in the meantime we are sending home a mini note stating the level received. At least this notification is much quicker than the last couple of years. Gr. 1 & 2 have all passed and we will do a special medal award ceremony in their class when the package arrives.

Spring Performance: Friday June 7-7pm Gr. 1 & up will dance in this show. Saturday June 8 - Noon show all students including 1st Steps will dance in this show.

Parent volunteer signup sheets will be on foyer desk Tuesday May 14. As many of you know the backstage help is crucial, the show cannot go on without CIRCLE MOMS, BACKSTAGE COORDINATOR/RUNNER.

We are asking that some of the 1st steps mothers help Friday 7pm show. Other Moms to work one show and watch the other. Upper school note, that the 1st steps students are only in the Saturday Noon show. Besides back stage there are front of house volunteers needed along with parking lot attendants.

Full list of "Volunteer Jobs" will be on foyer desk, along with "Ticket Request Form". This helps us with numbers of chairs we need to put out for the performances. Tickets will be available for purchase starting Tuesday May 28

We will be sending out "**Important Performance Information**" via email by Monday May 13. Please be sure to print this up. It contains dress rehearsal schedules and other information regarding students' needs.

Flower Bouquet Fundraiser: Order forms will also be on foyer desk. More information will be in the Important Performance Information.

Costume Rental Fee's: A notice was handed out to the students, if you didn't receive one please ask the teachers for one. If you haven't paid please return form with your check and drop in payment box.

Summer Camp: Theatre Arts & Dance Camp 2019: we still have plenty of open slots, so why not have your children come and join the fun, singing, different forms of dancing, art, music with Miss Kitty and much more. End of camp performance. We have camp information and registration form on foyer area.

Memorial Day Weekend: Dance School will be closed Friday May 24-Monday May 27. Reopening Tuesday May 28
